

1 national or state elections in Section 3, and this is
2 where trouble is going to come in the convention. I am
3 pretty sure, because all the people that testified, the
4 people that testified most vigorously before our
5 Committee in connection with preservation of local autonomy
6 were those who were concerned about large numbers of
7 Federal employees living on the Annapolis Naval Base,
8 living in the Aberdeen Proving Grounds, living at
9 Perry Point, voting in local elections when at least the
10 argument was made they were more or less transient;
11 they wouldn't have the same or they might have an interest
12 in the school bond issue for the purposes of their
13 children but if they figured they weren't going to be
14 there for more than four or five years, but I don't
15 see that you can/^{be}consistent with what Mr. Case and Judge
16 Adkins have suggested, say you cannot put a property
17 limitation on. You can't limit the right of anyone
18 to vote and have that run consistent with what we have
19 said in Section 3 here about the voting rights of per-
20 sons living on Federal reservations.
